

SUTTON HIGH SCHOOL ATTENDANCE POLICY (414) **Including EYFS**

GDST Statement on School Attendance

Absence, whatever its cause, is detrimental to any student's academic, social and emotional development. Children with poor attendance tend to achieve less in both primary and secondary school, with a cumulative effect. Regular or persistent absence can also indicate a pupil welfare issue.

Parents have a legal duty to ensure their children of compulsory school age who are registered at school attend regularly. Parents can only allow their child to miss school if they are too ill to go in or they have advance permission from the school. The Education (Student Registration) (England) Regulations 2006 make it clear that Heads may only grant leave of absence in exceptional circumstances. As is required by law, the school will inform the local authority of any pupil who fails to attend regularly or has been absent without the school's permission for a continuous period of 10 days or more. The local safeguarding partners will also be informed if absence amounts to a safeguarding concern.

In order to maximize our students' potential, the GDST is committed to ensuring students do not miss out on their education through poor attendance rates. We expect all GDST schools to at least meet the national attendance average, and school attendance rates are monitored accordingly. A member of SLT is expected to review and analyse attendance across the school as a whole on a regular basis, following up on trends or patterns of concern, and reporting to the School Governing Board/GDST as required.

Class teachers and tutors are expected to monitor and review the attendance record of the students for whom they are responsible. An individual attendance record of below 90% must be followed up by the school, as will noticeable patterns, or sudden or unexplained absence.

Sutton High School

Policy statement and aims

School attendance is critical to academic success and social and emotional development. Children with poor attendance tend to achieve less in both primary and secondary school, with a cumulative effect. Regular or persistent absence can also indicate a pupil welfare issue. We ask parents to familiarize themselves with this policy, and to help us to promote the standards of attendance and punctuality which are essential for an orderly school environment where all pupils can get the maximum benefit from their education.

Our aims are:

- To develop and maintain a whole school culture that promotes good attendance
- To ensure, as far as possible, that every pupil can benefit from and make their full contribution to the life of the school
- To build strong relationships with families, encouraging them to take an active role in promoting good attendance and punctuality

Sixth form – flexible day

All schools are able to allow pupils of non-compulsory school age to be absent for sessions they are not timetabled to attend. Sixth formers have a flexible day, recognising their growing maturity and bridging the gap between formal schooling and post 18 study or work.

Sixth Formers must attend school every day, arriving in time for morning registration at 8.25am. They must attend all timetabled lessons; timetabled lessons refers to subject lessons with a teacher, subject lessons without a teacher present also known as a cover lesson, study support lessons, sixth form enrichment. All timetabled lessons will appear on a student's timetable in SIMS. They will be able to leave the school after 1.10pm if they have no timetabled lessons periods 7 and 8, signing out for the day at Reception.

All regular appointments including driving lessons must be scheduled outside of school hours. Permission to miss timetabled lessons will not be given unless there are exceptional circumstances. Any student who does not attend lessons or who is not making the expected progress in all subjects will have the privilege of a flexible day removed.

Should a student be unable to attend school, parents/careers must notify the school as set out below.

Planned absence

Apart from illness, no pupil should be away from school without prior permission from the Head. All schools are expected to restrict leave of absence to the specific circumstances set out in the regulations. These are summarized below:

- Taking part in a regulated performance or employment abroad
- Attending a medical or dental appointment (where it is not possible to make an appointment out of school hours)
- Attending an interview
- Religious observance
- Studying for a public examination
- Exceptional circumstances

If a leave of absence for exceptional circumstances is granted, it is for the school to determine the length of time the pupil can be away from school. As stated in the regulatory guidance, a need or desire for a holiday or other absence for the purpose of leisure and recreation is not considered to be an exceptional circumstance.

Parents should submit all requests for absence to the Senior School Attendance Officer or Prep School Attendance Officer no later than 7 school days prior to the date of absence. Parents will be informed by email as to whether the absence has been authorized.

Absence for reasons other than those sanctioned by the regulations, for no reason given, or exceeding the terms of exceptional leave, will be recorded as unauthorized absence.

Planned absence: Leave of absence

Requests for leave of absence in the Senior School must be submitted in writing to the Attendance Officer by email, attendance@sut.gdst.net

In the Prep School, requests should be made to the Prep Attendance Officer via prepoffice@sut.gdst.net or 020 8225 3072.

Unplanned absence

On the first day of unplanned absence it is the parents' and guardians responsibility to telephone or email the attendance officers (as outlined above) of the school concerning the reason for a student's absence on the first day of absence.

On subsequent days of unplanned absence parents and guardians must also provide information to the school attendance officer via the phone or email by 8.25 am on each day of subsequent absence, until the pupil is well enough to return.

The school will remain in contact with parents on a regular basis until the student returns.

When reporting an absence parents' and guardians are requested to give details of the pupil's illness or reason for absence. If this is not forthcoming the absence will be investigated. If the nature of the absence is not disclosed to the school, the absence will be recorded as unauthorised. Parents and guardians are informed if absences are recorded as unauthorised.

If an absence occurs, it is the responsibility of the student to make up any lost work in the first instance; however if the absence is for a long period of time catching up work will be facilitated and monitored by the pupils' Head of Year in Senior School or class teacher in Prep School. If an absence is known in advance, the student must approach individual members of staff for guidance in their subject area.

If the school is not notified of a pupil's absence a call will be made to parents. The school will remain in contact with parents on a regular basis until the pupil returns.

If contact can't be made, the school will seek to assure itself that the pupil is safe and well, through confirmed contact with external professionals or a home visit by local authority personnel or school staff. Pupils who cannot be located will be considered missing and the school will pursue the matter in accordance with local procedures. A pupil on a Child Student/Student visa going missing will also be reported to the police and UKVI. Children missing education can act as a vital warning sign to a range of safeguarding issues, including neglect, sexual abuse and child sexual and criminal exploitation.

Monitoring and analyzing attendance data and addressing issues

The school has systems to track absence and reasons for absence at an individual level and by cohorts or groups. Analysis includes lesson as well as school attendance, and punctuality both for am and pm attendance and for lesson attendance. The data is monitored and analysed regularly and over a range of time periods (short term/half term/termly/annually) to trigger early intervention to address issues, trends or patterns.

Attendance thresholds and typical interventions for all pupils **including EYFS**:

Below school target	95%	Class teacher (prep school) or Head of Year (senior school) discussion with pupil.
At risk of persistent absence	91-92%	Flagged at pastoral meetings; discussion between teacher/Head of Year and parents.
Persistent absence	90% or less	Letter home to parents/meeting to discuss targeted support.
Severe absence	50% or less	More intensive support including referral to external services.

All measures will be regularly reviewed and stepped up if there is no improvement to the situation. Where a whole family response is appropriate, this is likely to include a voluntary early help assessment. Ultimately if voluntary support is not effective the school will work with the local authority to put more formal measures in place. Persistent or severe absence is always treated as a potential safeguarding risk.

Pupils with individual needs

Whilst punctuality and good attendance is an expectation for all pupils at the school, we recognise that this may be more of a challenge for some pupils, including those with special educational needs or disabilities, or those suffering from long term medical conditions or mental health issues. The school will allow for these circumstances when working with such pupils and their parents and will make reasonable adjustments / develop individualized support approaches as appropriate to meet their specific needs. If a pupil has an EHCP, the school will communicate with the local authority if attendance falls or becomes problematic.

The school is committed to supporting pupils who may be absent because of Emotionally Based School Avoidance. Where a pupil is missing school because of EBSA, the school will work closely with professionals supporting the child and the family as it takes a team effort to help the child find a way back into full time education.

Reporting to the local authority

The school has a statutory obligation to inform the local authority of the full name and address of any pupil of compulsory school age who fails to attend school regularly or has been absent unauthorized for a continuous period of 10 days or more.

The school must also inform the local authority of the full name and address of any pupil of compulsory school age who has been recorded as ill and the school has reasonable grounds to believe will miss 15 days consecutively or cumulatively because of sickness.

Returning to school

It is the responsibility of the pupil to make up any work missed through absence. Sometimes a pupil who has been absent for some time finds it difficult to return. In such circumstances the school will work with the pupil and parents to support reintegration.

Remote education

The school may, in very limited circumstances, provide remote education to enable pupils who are well enough to learn but not well enough to attend in person, to keep pace with their education. Such arrangements must be mutually agreed by the school, parents or carers, and if appropriate a relevant medical professional, and will normally be time limited.

Pupils who are absent from school but receiving remote education still need to be formally recorded as absent on the register using the most appropriate code. The school will keep a separate record of and monitor the pupil's engagement with remote education.
