

CO-CURRICULAR PROGRAMME

SENIORS 2026-27

Your passport to adventure.

Can you collect your passport this year?

Be curious. Try something new. Find what you love. Make your Sutton High journey your own.

YOUR PASSPORT TO ADVENTURE

CO-CURRICULAR LIFE AT SUTTON HIGH SCHOOL

At Sutton High, we believe that some of the most important discoveries you make about yourself happen beyond the classroom. Our co-curricular programme gives you the opportunity to try something new, pursue the things you already love and discover interests you may never have considered before. Whether you are developing a talent, learning a new skill, meeting new people or simply giving something a go, every experience helps you build confidence, broaden your horizons and discover more about the person you want to become.

Through co-curricular life at Sutton High, we want you to:

EXPLORE

Explore your interests and make choices that reflect your own passions and ambitions.

CHALLENGE

Challenge yourself by trying new experiences and developing new skills.

BELONG

Build friendships and belonging, connecting with pupils and staff beyond your usual lessons and year group.

RECOGNISE

Recognise your strengths and the wider skills you are developing along the way.

GO FURTHER

Go further academically, through activities that extend and enrich what you learn in the classroom.

Ultimately, we want every Sutton High pupil to build her own journey beyond the classroom: one filled with opportunities to be curious, courageous and increasingly fiercely independent.

MAKE IT YOUR OWN

GETTING INVOLVED

● Getting involved

We expect pupils in Years 7 and 8 to take part in an average of at least two co-curricular activities each term across the year, and pupils in Years 9–13 to take part in at least one. Activities are booked through SOCS. When you book a place, you are making a commitment to the activity, the member of staff running it and the other pupils taking part, so we ask that you attend regularly. Registers are taken at each session.

● Your ideas matter

Our programme is always evolving, and some of our best activities begin with ideas from pupils. We want you to help shape what co-curricular life at Sutton High looks like. If there is something you would love to try, a skill you would like to share or even a club you would like to lead yourself, we would love to hear from you. Speak to or email Mr Essenhigh, Director of Enrichment and Partnerships, at b.essenhigh@sut.gdst.net. You can also find him on the first floor of the STEAM Building, next to Room 204.

Be curious. Try something new. Find what you love. Make your Sutton High journey your own.

PLAN YOUR WEEK

HOW DO I BOOK MY CO-CURRICULAR ACTIVITIES?

All co-curricular clubs are booked on SOCS. SOCS is our online booking system. Login to SOCS uses your School login details, so you will not need to create extra user details to remember. Parents can also see club bookings, along with any fixtures you have been selected for, your academic timetable and any instrumental/vocal lessons you are scheduled for. Club sign-up happens termly, with Spring and Summer being booked at the end of the respective preceding terms.

● Maximum Numbers

Some activities have a maximum number of participants. Unfortunately, we cannot go over this number, but you can contact the club leader to ask if you can be accommodated, if pupils who have signed up do not attend. If you have chosen an activity with a maximum number, you should make sure that you have a back-up option ready, in case it is fully booked.

● Invitation Only

Some clubs are by application or audition, so these cannot be booked on SOCS, though it will show them if they are available for your age group. Instead, they will have another way to sign-up. For productions, this will be on the relevant Year group Teams pages. For some musical clubs, you will need to email the teacher listed on the schedule.

● Limited Booking

Some activities have limits on bookings, for example only being bookable for one term, or one half-term. This is to ensure that more people can take part in popular clubs across the year. Please read the booking instructions carefully in each listing on the schedule. If you book incorrectly, you can cancel your own booking within the booking window but will need to be removed by staff after this time.

● Clashes, Choices, and Decisions

There are over two hundred clubs and activities across the school each year, so it is impossible to schedule all activities and avoid any clashes. We know that many of you are keen to take part in as many activities as possible, but sometimes you will need to make a choice in order to commit to activities fully. Try to consider your clubs schedule across the full academic year, so that you can try more activities, and ask your Form Tutor for help if you need to decide between clubs. You can also email Mr Essenhigh if you have a clash that you cannot resolve yourself.

MOVE. TRAIN. COMPETE.

SPORTS CLUBS

Sports Clubs

Sports clubs at Sutton High School take place on our school site (on the MUGA, the pool, the court, the Sports Hall, or the Studio), and off-site (at Sutton Cricket Club on Cheam Road, Sutton Life Centre, on Oldfields Road and Purley Walcountians Club).

On the days that you have a Sports Club, you wear your PE Kit to school, so there is no changing time. For swimming and water-polo, you are expected to change quickly and efficiently in the changing rooms, taking no longer than 5 minutes.

Clubs are run by our PE teaching staff and by external professionals.

Some Sports clubs are open to all, others are by invitation only, to develop elite performance. Invitation-only clubs cannot be booked on SOCS, though they can be viewed, so that you are aware of when they are scheduled – instead, you will need to attend the trial sessions and will be added to the club by the lead member of staff. Trials for these teams will be communicated via Teams or direct to email from the Sports Department. Some of the invitation only clubs are paid for, so parents will need to make payment directly to Sutton Tennis Academy or Sutton and Cheam Swim Club, if agreeing to attend.

Sports Club Timings

Timings for Sports Clubs are different to all other clubs, so it is important to plan your time carefully.

For morning clubs on-site, you arrive via the main Senior School Reception and sign-in early, using the sign-in screen. You need to arrive at 7.20am and be ready to start the club at 7.30am. Morning Clubs end at 8.10am and you are expected to arrive at your first lesson no later than 8.25am, ready to start the lesson. For morning clubs off-site, you should go directly to the Cricket Club, and will walk back to school ready to start lessons at 8.25am.

After-School Clubs have various timings. On-Site Sports and Swimming clubs run from 3.40 – 5.00pm and all off-site clubs run from 3.40 – 5:30pm. You will be transported to and from school via minibus or coach.

- **You cannot take the late minibus Service if you are attending an off-site club.**
- **Following after-school sports clubs, you can leave via the Sports Hall entrance on Grove Road.**

Sports Fixtures

The Sports Department runs a very busy fixture schedule across the year. Some fixtures run in Games afternoons, but most fixtures run to 5.30pm, and so you will not be able to get the late minibus home, if selected for a fixture. Fixtures take place on and off-site, at other schools and sports grounds. All fixtures are posted on the school sports information system, SOCS. You are expected to check this independently, but a selection message will also be emailed.

To improve chances to be selected for a sports team, please attend as many weekly training sessions as possible.
